*** **Clubs are available if needed. Camps are filled on a first come, first serve basis*****

SEE REVERSE SIDE FOR DATES and TIMES of all CLINICS and CAMPS

Junior Golf Camps: There will be 3 Junior Camp offered this summer for those juniors in the sampling years, ages 6 through 10. These are a child's exposure years when the main focus should be fun, not overwhelming in intensity and detail. Work on age appropriate beginning golf skills are emphasized and practiced daily. Putting, chipping and full swing will provide the young golfers with the concepts and understanding of how to behave on the course. Life lessons are emphasized daily. Please be advised that each camp is **3 consecutive days from 9:00 AM to 11:00 PM** and they are not designed as drop in day camp for many reasons. Cancellations are rare so please dress your child for inclement weather. If a cancellation does occur, the make-up day will follow the last day of that camp week at the same time.

*****Junior Camp** is limited to **7** students per camp. The cost is **\$200** per student***

Advanced Golf Camps: There will be 3 Advanced Camps offered this summer for those juniors in the specialized years ages 9 through 14. These are the years when a child really begins to focus on three sports and starts to develop a competitive spirit. Training is more diligent and planned. These camps emphasize understanding of swing mechanics, with lifetime drills to help to develop each golfer. Rules understanding and implementation along with etiquette and life lessons are worked on daily. There is a minimum of 2 hours of on course play built into each day. Each child should have their own clubs and enough interest and self-motivation to practice the skills taught in appropriately designed playing formats. All students must be able to maintain the course pace of play. Friendly competitions in a fun and supportive atmosphere are emphasized. Please be advised that each camp is **3 consecutive days from 8:00 AM to 11:30 PM** and they are not designed as drop in day camp for many reasons. If a cancellation does occur, the make-up day will follow the last day of that camp week at the same time.

*****Advanced Camps** are limited to **4** students per camp. The cost is **\$250.00** per student***

GET READY FOR HIGH SCHOOL GOLF CLINIC

This is a new program that Rick will be offering this year. The goals for this program are based on best practices for developing a young student in their quest to play on their High School Golf Team. The clinic is limited to **three** students per clinic. The low student to teacher ratio will enhance a more personalized level of instruction which will foster the possibility for greater learning take away.

Students entering this training should have a "growth" mind set, a willingness to set reasonable and attainable goals, and a strong desire to put in the work necessary to improve their skills and understanding of the great game of golf.

Along with skill development in swing technique, emphasis will be put on the short game through competitive drills/games, and nine holes will be played each day using the competitive scoring format used in high school. Rules of the game will be marshalled and enforced but explained so each student knows how to proceed when in competition. Advice in making good decisions involving course play will be offered at different times during each round.

*** **GET READY for High School Golf Clinic** are limited to **3** students. The cost is **\$325.00** per student**

APPLICATION IS ON REVERSE SIDE

2025 Junior Golf Camp Registration Form

Please CHECK Desired CAMP

All instruction is given by Certified Professional Teacher Rick Rogers who has completed "The COACHSMARTNH" program offered by The University of New Hampshire.

- **Please take the time to cross reference your busy schedules so you pick the correct camp or clinic.** Making adjustments after your registration is submitted is very difficult.
- **Upon receipt of your \$50 deposit,** you will be called to confirm your registration. This is the time to bring up any questions or concerns regarding your child's involvement in camp.
In order to ensure your spot in a clinic or camp, early registration is highly recommended.
 If you have any questions on camps or clinics, **please feel free to call Rick at 269-3110.**
