Get Golf Ready LEVEL 2: GGR Level 2 is the next step for past Get Golf Ready participants or anyone with clinic and/or on-course experience. This clinic will go into more comprehensive detail in each of the teaching levels. The detailed instruction will include putting and green-reading strategy, pitching and chipping “controls”, trouble shots, techniques for distance, and course management. The majority of the lessons will be conducted on the golf course while learning how to navigate and “perform” on the course.
