**Boost your confidence and knowledge of the game on the course.
Play weekly with other woman with similar skills.**

- Starting at 4:00pm, with limited instruction, and each week will be something new!! Tee times will begin at 4:00pm (call to make your own) through 6:00pm. Instruction will be on going throughout the holes you play. Deb will play a hole with each group every night. No crazy formats and scoring will be optional.
- A two-women buddy system will be established to support each other and encourage one another to come each week. If you don't have a partner, we will be able to pair someone with you!
- This is a **"Pay as you Play"** league (*Cash or Check preferred to Deb Austin*), which makes it affordable and flexible!
- Call to make your own tee times every week at 603.664.7616. **Please confirm with Deb weekly via email** that you will be playing by Sunday evening before the league. This is your first etiquette lesson. 😊
