VOLUNTEERS NEEDED

Due to the increased participation each year, we ask that if the parents are able to volunteer one or more weeks as a supervisor of play, please inform the proshop of which dates you'd be available.

- Supervisors will be given cart **if needed** and Juniors are NOT allowed to put their bags on and/or ride on the cart.
- Volunteers will be given instruction for their role as a Supervisor.
- Volunteers/parents are not to serve as caddies and/or instructors.

COURSE MAINTENANCE

Repair your divots and any others you may find.

Repair your ball marks on the green and others you may find.

COURSE ETIQUETTE

Please do not swing your club on the tee box while waiting to tee off.

Please be aware of your surroundings.

Please do not talk when other golfers are hitting.

Please do not run on the course.

Do not stand directly behind, in back of or in front of the person hitting.

Order of Play – for each hole, the person that had the lowest score on the previous hole gets to hit first. HOWEVER, during league we suggest that if you are ready to hit, please do so to help speed up play as long as you are not in front of another golfer.

During play on a hole, the person that is farthest away from the hole should always hit first.

You should always mark your ball on the green so that your ball is not in the way of someone else while they are putting. Once you mark your ball, you may clean the ball. When on the green, always walk around the hole. Never step on the hole. ALSO, be aware of where other golfers in your foursome are located on the green and don't walk in their line to the hole.

Please yell "FORE" if you hit a golf ball and it accidentally goes towards another golfer. If you hear someone yell FORE, you should put your head down and turn away from the direction the sound came from.
